ENGINEERING

- | | | |
|---|---------------------|---------|
| Airport Drainage <i>Provides guidance for engineers, airport managers, and the public in the design and maintenance of airport drainage systems. Issued with perforations.</i> 1970: 82 p.; ill. 1988-repr.
TD 4.8/5:150/5320-5 B | S/N 050-007-00149-5 | \$5.50 |
| Architect-Engineer and Related Services Questionnaire for Specific Project, Standard Form 255 1983: 12 p. Sold in Pads of 20 only
GS 1.Form 255/983 | S/N 022-001-00112-1 | \$6.50 |
| Architect-Engineer and Related Services Questionnaire, Standard Form 254 1983: 7 p. Sold in Pads of 25 only
GS 1.Form 254/983 | S/N 022-001-00111-2 | \$4.50 |
| Boiler Technician 1 and C <i>Provides advanced training for boiler technicians on topics such as fireroom maintenance auxiliary machinery and propulsion plant operations.</i> 1985: 158 p.; ill. revised ed.
D 207.208/2:B 63/6/985 | S/N 008-047-00379-0 | \$6.50 |
| Bridge Inspector's Training Manual <i>Provides guidelines for the training of bridge inspectors. Issued with perforations.</i> 1979: 247 p.; ill. 1984-repr.
TD 2.8:B 76/6/979 | S/N 050-002-00106-0 | \$13.00 |
| Inspection of Fracture Critical Bridge Members: Supplement to the above <i>Provides information on planning, inspecting, and documenting the inspection of fracture critical bridge members. Also explains the importance of the inspections.</i> 1986: 233 p.; ill.
TD 2.36:86-26 | S/N 050-001-00302-3 | \$11.00 |
| Concrete Manual: A Manual for the Control of Concrete Construction <i>Published primarily for use by the Bureau of Reclamation's construction engineers and inspectors. Supplies engineering data and outlines methods and procedures to be followed in administering construction specifications and contracts.</i> 1988: 663 p.; ill. revised ed. | S/N 024-003-00141-4 | \$18.00 |
| Construction Equipment Ownership and Operating Expense Schedule <i>Establishes predetermined equipment ownership and operating expense rates for use in preparation of estimates and in pricing negotiated procurements requiring independent government estimates. Applies to activities in military or civil works projects.</i> | | |
| Region 1 <i>Includes the states of Connecticut, Maine, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, and Vermont.</i> 1988: 192 p.; ill.
D 103.43:1110-1-8/v.1/988 | S/N 008-022-00254-5 | \$11.00 |
| Region 3 <i>Includes the states of Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi, Missouri, North Carolina, South Carolina, and Tennessee.</i> 1988: 190 p.; ill.
D 103.43:1110-1-8/v.3/988 | S/N 008-022-00256-1 | \$10.00 |
| Region 6 <i>Includes the states of New Mexico, Oklahoma, and Texas.</i> 1988: 190 p.; ill.
D 103.43:1110-1-8/v.6/988 | S/N 008-022-00259-6 | \$11.00 |
| Region 7 <i>Includes the states of Arizona, California, Nevada, and Utah.</i> 1988: 188 p.; ill.
D 103.43:1110-1-8/v.7/988 | S/N 008-022-00260-0 | \$12.00 |
| Region 10 <i>Includes the state of Hawaii.</i> 1988: 190 p.; ill.
D 103.43:1110-1-8/v.10/988 | S/N 008-022-00263-4 | \$13.00 |
| Region 11 <i>Includes Puerto Rico.</i> 1988: 192 p.; ill.
D 103.43:1110-1-8/v.11/988 | S/N 008-022-00264-2 | \$13.00 |
| Region 12 <i>Includes Kwajalein and the Marshall Islands.</i> 1988: 190 p.; ill.
D 103.43:1110-1-8/v.12/988 | S/N 008-022-00265-1 | \$13.00 |
| Design Manuals <i>This series, written only for experienced architects and engineers, presents basic criteria for structural engineering design, and specific design criteria used in designing facilities under the cognizance of the Naval Facilities Engineering Command. Also included is</i> | | |

NOTICE Prices shown were in effect on the above date. Government documents prices are subject to change without prior notice. Therefore, prices in effect when your order is filled may differ from prices on this list. Since it is not feasible to change prices shown in Government documents in print, the price printed in a document may differ from the price in effect when your order is processed.

GP 3. 22/2:

best copy available

the direction and standards for procedures, methods, dimensions, materials, loads, and stresses. Issued with perforations.

- | | | |
|--|---------------------|---------|
| Earth Sheltered Buildings <i>Contains criteria for architects and engineers in developing earth-sheltered buildings not used for housing. Earth-sheltered refers to any building that has some portion of its exterior walls below ground.</i> 1984: 254 p.; ill.
D 209.14/2:1.4 | S/N 008-050-00230-1 | \$7.50 |
| Foundations and Earth Structures <i>Covers the application of basic engineering principles of soil mechanics in the design of foundations and earth structures for naval shore facilities. Contents include: excavations; compaction, earthwork, and hydraulic fills; analysis of walls and retaining structures; shallow foundations, and deep foundations.</i> 1986: 270 p.; ill. repr.
D 209.14/2:7.02 | S/N 008-050-00221-2 | \$13.00 |
| Soil Mechanics <i>Provides information on identification and classification of soil and rock, field exploration, testing, instrumentation, distribution of stresses including pressures on buried structures, analysis of settlement and volume expansion, seepage, drainage, slope stability, and slope protection.</i> 1989: 382 p.; ill. | S/N 008-050-00237-9 | \$17.00 |
| Design of Small Canal Structures, 1978 <i>Contains information on the general requirements and design considerations, conveyance structures, regulating structures, protective structures, water measurement structures, and other related topics concerning the design of small canal structures.</i> 1987: 457 p.; ill. repr. Clothbound
I 27.2:C 16/8/978 | S/N 024-003-00126-1 | \$26.00 |
| Design of Small Dams <i>Presents instructions, standards, and procedures for use in the design of small dams. Intended to serve primarily as a guide to safe practices for those concerned with the design of small dams in public works programs in the United States. Also provides engineers with information and data necessary for the proper design of small dams.</i> 1987: 902 p. Clothbound
I 27.19/2:D 18/987 | S/N 024-003-00164-3 | \$27.00 |
| Drainage of Highway Pavements <i>Provides guidelines and design procedures for the drainage of highway pavements. Issued with perforations.</i> 1984: 152 p.; ill.
TD 2.30/4:84-202 | S/N 050-001-00280-9 | \$5.50 |
| Engineer (Quarterly.) <i>Provides timely and authoritative information on Army engineering concepts, plans, policies, doctrine, procedures, operations, equipment, and developments. Subscription price: Domestic - \$5.00 a year; Foreign - \$6.25 a year. Single copy price: Domestic - \$2.50 a copy; Foreign - \$3.13 a copy. (TENG) (File Code 2R)</i>
D 103.115: | S/N 708-023-00000-1 | |
| Engineered Performance Standards for Real Property Maintenance Activities <i>Issued with perforations.</i>
Carpentry Handbook 1981: 429 p.; looseleaf.
D 101.25:420-4 | S/N 008-050-00218-2 | \$10.00 |
| Machine Shop, Machine Repairs Handbook 1983: 396 p. | S/N 008-050-00227-1 | \$6.00 |
| Engineering Geology Office Manual: Basic Concepts and Procedures <i>Presents the requirements and procedures for the collection of geologic data obtained by the Bureau of Reclamation.</i> 1988: 64 p.; ill.
I 27.19/2:En 3 | S/N 024-003-00166-0 | \$3.50 |
| Engineering, Scientific, and Related Occupations <i>Reprinted from the Occupational Outlook Handbook, 1990-1991 edition. Gives the employment outlook for: aerospace, chemical, civil, electrical, electronics, industrial, mechanical, mining, nuclear, and petroleum engineers; agricultural scientists; biological scientists; foresters and conservation scientists; chemists; geologists and geophysicists; meteorologists; physicists and astronomers; drafters, engineering technicians; science technicians; and surveyors.</i> 1990: 27 p.; ill.
L 2.3/4 a:2350-3/990-91 | S/N 029-001-03026-6 | \$1.75 |
| Experimental Statistics <i>Provides engineering information and quantitative data needed in the design, development, construction, and testing of ordnance equipment.</i> 1966: 558 p.; ill. 1983-repr. Clothbound
C 13.11:91/2 | S/N 003-003-00135-0 | \$18.00 |
| Forest Service Specifications for Construction of Roads and Bridges <i>Developed for use in the preparation and administration of contracts for the construction of roads and bridges on the National Forest Development Road System, under public works contracts or as a condition of timber sale contracts. This book contains the standard specifications that commonly apply in public works and timber sales contracts.</i> 1985: 384 p. looseleaf.
A 13.84/2:7720-100 LL | S/N 001-001-00611-4 | \$15.00 |
| Guidelines and Procedures for Maintenance of Airport Pavements <i>Intended primarily for use at small- and medium-sized airports, this publication provides specific guidelines and procedures for maintaining airport pavements and establishing an effective maintenance program.</i> 1982: 191 p.; ill. looseleaf.
TD 4.8/5:150/5380-6 | S/N 050-007-00627-6 | \$7.00 |

- Handbook of Mathematical Functions, With Formulas, Graphs, and Mathematical Tables *Provides scientists with a comprehensive and self-contained summary of the mathematical functions that arise in physical and engineering problems.* 1964: 1060 p.; ill. 1984-repr. Clothbound
C 13.32:55/2 S/N 003-003-00279-8 \$43.00
- Hydraulic Design of Highway Culverts *Presents culvert design methods for both conventional culverts and culverts with inlet improvements. Combines culvert design information previously published in three Hydraulic Engineering Circulars, Numbers 5, 10, and 13 with additional information.* 1985: 272 p.; ill.
TD 2.33:5 S/N 050-001-00298-1 \$9.50
- Hydrology *Intended to help highway engineers analyze and design highway drainage structures.* 1985: 364 p.; ill. revised ed.
TD 2.27:19 S/N 050-001-00306-6 \$17.00
- Merchant Marine Engineering Examination Illustration Book *Contains all of the illustrations that may be needed by an applicant during an examination for a merchant marine engineering license or engineering rating endorsements on a merchant mariners' document.* 1987: 346 p.; ill.
TD 5.2:M 53/2 S/N 050-012-00238-0 \$16.00
- Merchant Marine Examination Questions: 15, Engineering Safety *Contains questions used in examinations for merchant marine licenses and documents. Also cites sources and provides the correct answers. Interested readers are encouraged to send written comments regarding the accuracy and clarity of the questions to the Coast Guard.* 1988: 281 p.
TD 5.2:M 53/14 S/N 050-012-00268-1 \$14.00
- Navy Civil Engineer (Quarterly.) *Features articles on the Navy's worldwide shore establishments, including technical articles on planning and designing, construction, maintenance, public works, utilities, transportation, Navy housing and real estate, and the Naval Civil Engineering Laboratory. Covers research and development, disaster control, and features articles on Civil Engineer Corps officers and the Seabees. Subscription price: Domestic - \$5.50 a year; Foreign - \$6.90 a year. Single copy price: Domestic - \$1.75 a copy; Foreign - \$2.19 a copy. (NCE) (File Code 2Q)*
D 209.13: S/N 708-043-00000-1
- Public Roads, A Journal of Highway Research and Development (Quarterly.) *Contains many articles relating to highway research, engineering, safety on the highways, surfacing, and other subjects in this field. Subscription price: Domestic - \$6.00 a year; Foreign - \$7.50 a year. Single copy price: Domestic - \$2.00 a copy; Foreign - \$2.50 a copy. (PR) (File Code 2Q)*
TD 2.19: S/N 750-005-00000-4
- Safety and Health Requirements Manual *Prescribes the safety and health requirements for all Corps of Engineers activities and operations. Approved for use in military construction, alteration, and repair activities and for contractual activities as specified in the Defense Acquisition Regulation.* 1987: 445 p.; ill. revised ed.
D 103.6/3:385-1-1/987 S/N 008-022-00243-0 \$9.00
- Shore Protection Manual, Volumes 1 and 2 *Chapters cover the following topics: Introduction to Coastal Engineering; Mechanics of Wave Motion; Wave and Water Level Predictions; Littoral Processes; Planning Analysis; Volume 2-Structural Features; Structural Design; Physical Factors; and Engineering Analysis: Case Study. Includes a glossary, a list of symbols, miscellaneous tables and plates, and an index.* 1984: 2 bks. (1307 p.); ill.
D 103.6/5:Sh 7/3/984/v.1-2 S/N 008-022-00218-9 \$30.00
- Standard Plans for Highway Bridges, Volume 1, Concrete Superstructures *Intended to serve as a useful guide to State, county, and local highway departments in the development of suitable and economical bridge designs for primary, secondary, and urban highways. The plans should be particularly valuable to smaller highway departments with limited engineering staffs.* 1990: 17 leaves; ill. revised ed.
TD 2.8:B 76/3/v.1/990 S/N 050-001-00309-1 \$8.00
- Standard Specifications for Construction of Roads and Bridges on Federal Highway Projects *Intended for use in the construction of roads and bridges on Federal Highway projects under the direct administration of the Federal Highway Administration. Formatted to the extent possible after the American Association of State Highway and Transportation Officials (AASHTO) Guide Specifications for Highway Construction to promote nationwide uniformity and consistency of specifications and contractual matter in highway construction.* 1985: 702 p.
TD 2.2:C 76/9 S/N 050-001-00299-0 \$21.00
- Standard Specifications for Construction of Trails 1984: 109 p.; ill. S/N 001-001-00610-6 \$5.50
- Systems Engineering Management Guide *Designed to acquaint newcomers with systems engineering concepts and techniques in the development of a weapon system. Also focuses primarily on the relationship between the technical management process and the systems engineering process.* 1990: 308 p.; ill.
D 1.6/2:En 3/989 S/N 008-020-01202-5 \$15.00

Technologists and Technicians, Except Health *Reprinted from the Occupational Outlook Handbook, 1990-1991 edition. Gives the employment outlook for: aircraft pilots; air traffic controllers; broadcast technicians; computer programmers; drafters; engineering technicians; library technicians; paralegals; science technicians; and numerical control tool programmers.* 1990: 17 p.; ill.

L 2.3/4 a:2350-11/990-91

S/N 029-001-03034-7

\$1.25

Wood Handbook: Wood as an Engineering Material *Provides engineers, architects, and others with a source of information on the physical and mechanical properties of wood and how these properties are affected by variations in the wood itself.* 1987: 468 p.; ill. Cloth-bound

A 1.76:72/987
